

Psalm 145:18

Why be
Involved in
a home fellowship

Small Group?

We believe the Bible teaches that there is a strong correlation between a person's spiritual growth and how well they are connected in relationship to other believers.

In small group settings we can help to "bear one another's burdens..." in a more effective way because we are more connected with one another in this size of group.

The Bible instructs us not to "forsake the assembling of ourselves together." This applies both to the larger assembly and to 2 or 3 (or more) gathering in His name, and He promises to be in our midst.

For more information or to join a small group please visit our website www.acckitchener.org or contact:

Small Group Ministry

Small Group Ministry in our church...

Our church has a variety of home fellowship small groups. Typical group size varies from 3 to 12 people.

Some are small groups for teenagers, others are for college age, some are women's groups, some are men's and others may be small groups geared towards couples.

Not every group will be a good fit for every person so please speak to the small group coordinator or a small group leader to find one that is suited for your needs.

Some small groups meet once a week on a Thursday night for example, while others meet every second week.

What happens in a small group meeting?

Each group may have its own style, but all groups spend time in God's word, in fellowship and praying together.

God has created each one of us uniquely and for a special purpose. Small groups provide a means for God to use our unique shape so we can minister and be ministered to. Some are gifted with knowledge, ministry, evangelism, mentoring etc. We use these gifts to benefit our small group.

Growing Together

**Small Groups
Come Grow in One...**

Our We Believe document states

“We believe that God through the Holy Spirit has endowed His children with gifts for Christian ministry. Each member lovingly ministers to the other so that all may be built up to the maturity of Christ.”

A small group is an effective way to accomplish this as we learn from God's word and each other through a close knit fellowship. This models the method Jesus used with his disciples to help them grow and mature together.
